#### PRAYER

The Chaplain, the Reverend Daniel P. Coughlin, offered the following prayer:

Let all the Nations be judged before You. Lord, You alone can touch all the world with a holy fear. Before You every nation is revealed. Each is only a collection of people.

Let humanity reign! Let all the nations see their souls in the eyes of each other. Speak to minds and hearts, O Lord. Lift the lines of demarcation just enough for them to witness their common concerns, their ground for hope, and a united course of action.

Before You alone they stand humbled, yet together You can strengthen them in their resolve to free the future for all Your people. Let all the nations be judged before you, O Lord.  
Amen.

#### HONORING THE LIFE OF LUCILLE DOTSON FRANCOIS

(Ms. RICHARDSON asked and was given permission to address the House for 1 minute.)

Ms. RICHARDSON. Mr. Speaker, I rise to honor the life of Lucille Dotson Francois. I rise in honor of this incredible lady because, although I had not met her in person, but because of the lives that she has left behind, particularly in her daughter, Yvonne Wheeler.

Ms. Francois recently passed after living 85 fulfilling years. She was a devoted public servant. She grew up in Baton Rouge, Louisiana, the same area where my own grandmother grew up.

She served in the East Baton Rouge School System until she retired, raising our young people and creating a new generation—one that I think all of us would agree is something we should not take lightly. After that, she extended her services working in the community, enjoying coordinating various events. But most of all what she loved was building young people and building family.

She was a devoted wife, mother, grandmother, and great grandmother. I'd like to personally acknowledge the incredible work that all of her family has done, and particularly that of her daughter, who has led an incredible life and assisted us in California.

May her family be blessed. Please join me, Mr. Speaker, as we acknowledge the life of Lucille Dotson Francois.

#### REPUBLICAN BUDGET PROMOTES AMERICAN FAMILIES AND SMALL BUSINESSES

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, Republicans are offering a budget that will move our country in a new direction of fiscal responsibility. It provides commonsense support for small businesses, which create the majority of jobs in America. It provides relief for American families. It keeps our promise to future generations by addressing entitlement spending so we do not go bankrupt in the future.

The Democrat budget, on the other hand, is a Washington-as-usual borrow and spending spree. It is no change. It raises taxes on American families and small businesses \$1.4 trillion. It produces record spending levels and, not surprising, record borrowing.

Republicans are offering a smarter way forward, one where we limit spending, help small businesses create jobs, and control the debt that threatens the solvency of the dollar and Social Security.

In conclusion, God bless our troops, and we will never forget September 11th in the global war on terrorism.

#### INTERNET FREEDOM

(Ms. LORETTA SANCHEZ of California asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. LORETTA SANCHEZ of California. Today, I, along with several of my colleagues, will be sending a letter to major Internet service providers, including Google, Microsoft, and Yahoo, expressing our concern regarding the worsening Internet restrictions in Vietnam.

It has come to our attention that the Vietnamese Government intends to further restrict Internet access by asking major Internet service providers to assist them in policing the Internet.

The letter strongly urges the Internet service providers to protect the Vietnamese people's freedom of speech and expression by providing technologies in a manner that respects individuals' rights and their privacy.

The Internet has become a major source of communication and information for the Vietnamese citizens. As Members of Congress, we must continue to advocate for Vietnamese citizens' freedom of speech and their freedom of expression. Upholding these freedoms is a corporate social responsibility, and Internet service providers must do everything they can to provide Internet freedom for the people of Vietnam, despite the pressure that is coming from the Vietnamese Government.

#### GM: GOVERNMENT MOTORS

(Mr. POE of Texas asked and was given permission to address the House for 1 minute.)

Mr. POE of Texas. Mr. Speaker, the Federal Government has gotten into the business of picking winners and losers in the automobile industry. The government has decided that GM is a winner and Chrysler is a loser unless—Chrysler obeys the Federal Government and partners with Italian carmaker Fiat to begin producing Chrysler Fiat as automobiles. No telling what those cars will look like.

Since when, Mr. Speaker, did the Federal Government get the authority to fire CEOs of private companies and take over their businesses?

Well, the Feds did just that by taking control of GM and Chrysler. Now we should change the name of both companies to "Government Motors."

If you like the way Uncle Sam runs government businesses like Fannie Mae, Freddie Mac, the Post Office, FEMA, and the IRS, you will love the new Government Motors automobiles.

The Federal Government is picking winners in the auto industry with taxpayer bailout money. We don't need any more bailouts. The government spends too much, borrows too much, taxes too much. The government needs to stop cutting deals with special interest groups and start cutting taxes for Americans.

And that's just the way it is.
